Fall in love with this luxurious one-story, 4 bedroom, 3 bath floor plan. The intelligent layout of this home provides an incredible amount of space within one story, perfect for those looking to enjoy the square footage of a larger home while not having to go up and down stairs all day long. We love the walk-in pantry, open concept kitchen, living, and dining room combination, and spectacular master suite! You are guaranteed to love the large light-filled window, the massive walk-in closet, and the functionally elegant bathroom. Contact us today to build this home on your land!

In continuous effort by Stylecraft Builders to improve the quality of your home, we reserve the right to change features, prices, plans and specifications without notice. Floorplans and elevation renderings are artists' conceptions only. Significant changes may be made during or after the construction of the model homes. Stylecraft Builders reserves the right to modify, relocate or eliminate any or all of the features, specifications, masterplan utilities, design or shape thereof, all without notice or obligations to any purchaser. Price range reflects base price only. Location premiums will be charged for certain locations and are not included in the base price of the home. Additional association fees may apply. Other fees may also apply. Amenities are proposed and planned or may be under construction. All square footages are approximate square footages of the total livable space. Water heater location deemed per city municipality code. Please see your onsite sales associate for additional information and more details. © 2023 Stylecraft Builders.
