Three Creeks Community

Some images shown may be from a previously built Stylecraft home of similar design. Actual options, colors, and selections may vary. Contact us for details!

The definition of personal elegance, the 1846 is one of our most warm and welcoming floor plans. We love the newly-expanded open concept kitchen, living room, and breakfast area, and how you can choose between having a study, dining room, or 4th bedroom. The primary bedroom is incredibly spacious, with a large walk-in closet, private shower, and garden tub. With more options to personalize through our gorgeous interior and exterior selections, you'll never feel more at home.

Additional options included: Four sided brick, stainless steel appliances, a vented Microhood, an additional cabinet in both bathrooms, a base cabinet in the utility room, a decorative tile backsplash, integral miniblinds in the rear door, additional LED recessed lighting, an exterior coach light, under cabinet lighting, and a single basin kitchen sink
