The Irwin is one of our most popular additions to the innovative series of floor plans, the Flex Series, which allows homeowners to personalize the layout of their home to best fit their family. The Irwin can have either a study, Texas basement, or a secondary bedroom suite. The open layout, large entry foyer, and charming exterior add to the sweet perfection that is this home.

Additional options included: Additional bedroom suite, stainless steel appliances, decorative tile backsplash, integral blinds in rear door, and additional exterior coach lighting.
