You'll absolutely love the way the kitchen looks out into the living room in this move-in ready home, giving you abundant space to gather with your family. Speaking of the kitchen – this island is one of the largest we have seen! If you aren't in love with this home already, wait until you see the massive master bathroom with large en suite and vanity.

Additional options include: white cabinets, decorative backsplash, stainless steel appliances in the kitchen, luxury 2" blinds, and additional LED recessed lighting
