This charming three-bedroom, two bath home is spacious with a versatile design! Featuring a foyer and galley way entrance, this home feels elegant and special immediately upon your entrance. Some of our favorite things about this floor plan are its large primary bedroom, which includes a massive closet, and enough space for a sitting area in front of the window beaming with natural light. This home is great for entertaining, with so much counter space and its separate formal dining room that flows seamlessly into the kitchen.

Optional features included: Additional cabinetry in both bathrooms, stainless steel appliances, additional LED recessed lighting, decorative tile backsplash, single basin kitchen sink, elongated toilet in primary bathroom, 42" kitchen cabinets, and a garage door keypad and opener
