Stylecraft introduces The Brookshire! Inspired by the modern farmhouse and craftsman style homes, The Brookshire is part of our Heartland Series. Walk into an open-concept common area with a sizable kitchen island. The kitchen flows into the living room, with plenty of space to entertain! This two-story floorplan features 4 bedrooms with the option of adding a 3rd full bathroom upstairs. Downstairs, your home will feature a powder room! Featuring a dual primary vanity and a spacious primary bedroom with a walk-in closet, The Brookshire will be the home of your dreams.

Additional options included: Additional cabinets in both full bathrooms, stainless steel appliances, additional LED recessed lighting, pendant lighting, decorative tile backsplash, and integral blinds in rear entry

Some images shown may be from a previously built Stylecraft home of similar design. Actual options, colors, and selections may vary. Contact us for details!
