There is no doubt that you will fall in love with The Garrison! Similar to the other floorplans in The Heartland Series, The Garrison was named after a Texas city and the façade was inspired by the popular modern farmhouse and craftsman style home. This 3 bedroom, 3 bathroom home has an option to add a 4th bedroom upstairs. This two-story home features a nice-sized utility room, plenty of room to entertain guests in the common area, and thoughtfully placed windows to allow natural light to pour in. Perfectly crafted with desirable features in mind, you will be completely at home in The Garrison!

Additional options included: Stainless steel appliances, additional cabinetry in bathrooms, additional LED recessed lighting, decorative tile backsplash, integral blinds in rear door, and dual upstairs bathroom vanity
