This stunning three-bedroom, two bath home will amaze you with how much space it offers! Entering the home, the first thing you will notice is the open concept living and dining room, making the home feel extremely welcoming. The kitchen features a breakfast nook, plenty of cabinet storage and a pantry. Our favorite feature of this home, though, is the master bedroom. The massive master bedroom allows plenty of space for a king-sized bed, sitting area, reading nook, or whatever your heart desires! With extensive storage throughout and a stunning front elevation, this home is sure to check all the boxes.
