The 1591 is a single-story plan with three bedrooms, two baths, and 1,591 square feet of living space. A covered front porch opens to a foyer with a coat closet and into a large living room lined with three windows. The living room connects to the dining area and kitchen under 9-foot ceilings, and the dining area has two windows and a back door to the backyard. The kitchen includes a pantry and a sink that looks out over the dining area.

The primary bedroom sits at the back of the home with two windows and a large walk-in closet. Its bath has a separate vanity area and a private water closet. Bedroom 2 has its own walk-in closet, and Bedroom 3 at the front of the home has a double-door closet. The two share a full bath with a tub/shower combo and a linen closet in the hall.

A two-car garage opens through the utility room.
