This home is one of our most popular floor plans, and for good reason! We love the way the corner kitchen looks out into the open concept living room and dining area, giving you the opportunity to feel connected with those in your home. We've maximized your space to give everyone in your family ample room. From your vast walk-in closet in the primary bedroom, to separate garden tub and shower, this home is luxurious without an enormous price tag.

Additional options included: Stainless steel appliances, an upgraded front door, a Half Lite back door, additional LED recessed lighting, two exterior coach lights, and a dual primary bathroom vanity
