This home is one of our most popular floor plans, and for good reason! We love the way the corner kitchen looks out into the open concept living room and dining area, giving you the opportunity to feel connected with those in your home. We've maximized your space to give everyone in your family ample room. From your vast walk-in closet in the primary bedroom, to separate garden tub and shower, this home is luxurious without an enormous price tag.

Additional options included: Stainless steel appliances, a head knocker cabinet in the secondary bathroom, a decorative tile backsplash, integral miniblinds in the rear door, additional LED recessed lighting, kitchen is prewired for pendant lighting, a dual primary bathroom vanity, and 42" kitchen cabinets
