Stylecraft introduces The 2341! Inspired by the modern farmhouse and craftsman style homes, The 2341 is part of our Heartland Series. Walk into an open-concept common area with a sizable kitchen island. The kitchen flows into the living room, with plenty of space to entertain! This two-story floorplan features 4 bedrooms with the option of adding a 3rd full bathroom upstairs. Downstairs, your home will feature a powder room! Featuring a dual primary vanity and a spacious primary bedroom with a walk-in closet, The 2341 will be the home of your dreams.
